

Doing the inspection yourself?

A simple record checklist for landlords managing 1-10 properties.

Use alongside your room notes and photographs.

Property: _____

Visit date: _____ Inspection type: _____

☐ **Before the visit**

Arrange access, confirm the property and tenancy, and review previous findings.

☐ **Room-by-room observations**

Record condition clearly. Note anything you could not inspect and why.

☐ **Useful photographs**

Link each relevant photo to its room and note. Avoid unnecessary personal details.

☐ **Meter readings and keys**

Where relevant, record meter type, reading, units, date and keys handed over.

☐ **Follow-up actions**

For each issue, record the next step, who will arrange it and a review date.

☐ **Check before sharing**

Review property details, dates, attachments and the intended recipient.

☐ **Keep a recoverable copy**

Save the completed record and back it up somewhere you can access later.
